kburton@starsinc.com
www.starsinc.com

Summary

Valley Star and Family Services is a contracted mental health outpatient agency with the San Bernardino County Department of Behavioral Health. Valley Star provides School-Based and In-Home mental health services for MediCal eligible children and their families. Based on the concept of “whatever it takes”, Valley Star offers to provide counseling services to the child and family where they are (homes and schools) in addition to where we are (our clinic site). Services include individual and group therapy, family therapy, and assessment and referral.

The Mission of Valley Star is to provide a full continuum of mental health services to youth that reflect clinical excellence in partnership with their families, caseworkers, and the communities we serve. To maintain an unconditional commitment to assisting youth with mental illness to achieve and maintain their optimum levels of functioning and quality of life. To provide effective treatment and cost efficient services that involve and respect the diverse resources and talents available within the client, family, staff and community.
